PITCH FOR TOMORROW – Idea Pitching Event

Pitch for Tomorrow is an **idea pitching competition** designed to bring together innovative minds to present solutions that address real-world challenges across emerging and impactful domains. This event provides a platform for students to showcase their creativity, problem-solving ability, and entrepreneurial mindset before an expert jury panel.

The competition will be conducted over **five days**, with **one dedicated theme per day**, encouraging focused innovation and domain-specific thinking.

Event Themes (5 Days – 5 Themes)

1. Mobility & Industry 4.0

2. Clean & Green Tech (Sustainability)

3. AI & DeepTech

4. Agri & Heath care

5. Open Innovation

Event Structure

- **Round 1 – Abstract Submission**
  - Teams must submit a concise abstract describing their idea in the given format.
  - Shortlisting will be done based on innovation, feasibility, impact, and market potential.
  - Shortlisted teams will be directly moved to the final round.

- **Final Round – Idea Presentation**
  - Date:
    - Mobility & Industry 4.0 - March 2
    - Clean & Green Tech (Sustainability) - March 3
    - AI & DeepTech - March 4
    - Agri & Heath care - March 5

- Open Innovation – March 6
  - Selected teams will present their ideas before a jury panel.
  - Projects with TRL 3 and above are welcomed (Prototypes are optional).
